WHAT IS IT?

The program is an effort between the Casper and Cheyenne Boards of REALTORS® and the Wyoming Association of REALTORS® to identify and train future leaders within the REALTOR® industry. The participants will attend six months of training that includes four retreats, ranging from 1 to 2 1/2 days each, a series of self study assignments before and between the retreats, and a class project. Graduates will gain knowledge in a wide range of subjects beneficial to them personally and professionally. They will be placed on the “fast track” to become leaders in their business and in the REALTOR® family. Graduates will enjoy ongoing recognition from peers and association leaders, and will become part of the team welcoming new graduates to future classes. They will be acknowledged as members of an elite group of REALTORS® that are destined to move our organization into the next century.

WHAT WILL I LEARN?

Each retreat covers a family of subjects that will allow you to move quickly into leadership roles in your professional and personal life. You will gain confidence in communicating publicly and privately with a wide range of people. You will have the skills to lead others in designing and implementing meaningful projects that will make a difference in your life. You will be a stronger, more confident person ready to take on the challenges and rewards of leadership.

WHEN ARE THE RETREATS HELD?

The series is held annually beginning in May. Retreats will be scheduled, as much as possible, to avoid holiday and local event conflicts.

WHERE ARE THE RETREATS HELD?

All retreats will be held in locations convenient to, but not in the board cities. Facilities are selected based upon their ability to provide a comfortable, productive setting, and quality service. The final retreat will be held in conjunction with the annual WAR convention to insure maximum recognition for the candidates.

RETREAT 1 - GETTING ACQUAINTED

Over the 2 1/2 days of this session, you will get to know the program, the other participants, yourself, our profession and the REALTOR® organization.

RETREAT 2 - WHAT LEADERS KNOW & DO AND LAW, LEGISLATURE AND LEADERSHIP

This 1 1/2 day session is devoted to learning many of the behaviors, techniques and practices of historic and contemporary leaders.

RETREAT 3 - STYLE, SMARTS AND SUBSTANCE

2 1/2 days devoted to understanding the impact of laws and lawmaking on our profession, and the pressing issues that we face. Plus you will learn about decision making, ethics, technology, balancing your life and public communication.

GRADUATION - PUT IT TOGETHER

Finally, graduation and your much deserved recognition. A challenge to get involved will be issued, and you will be recognized at the banquet where you will be inducted into the ranks of our future industry leaders.

WHAT ARE THE CANDIDATES' COMMITMENTS?

Each candidate is expected to commit sufficient time and effort to attend all retreats, and to complete all pre-study and class assignments. Each candidate will be responsible for raising their tuition. Tuition can be paid through sponsorships, scholarships and fund raisers. However, each candidate is expected to personally pay for some portion of the tuition. Tuition covers all books and materials, plus room and board at the retreats.

HOW ARE CANDIDATES SELECTED?

Applications are submitted to the Cheyenne or Casper board offices prior to April 1. A committee will then select candidates based upon their qualifications. Diversity of background, experience, sex, ethnicity, etc. will also be considered. 12 candidates will be selected for each class.
